Beautiful Disasters

"I am perfectly imperfect, beautiful in my flaws, chaotic, fearless... a beautiful disaster"
- Anika Connors

Everything that glitters is not gold and every beautiful face has a story to tell...

A product of rape, a motherless child, a woman full of hate... all she needs is a purpose. All Anika Connors ever wanted was to have things her way, by any means necessary. She was, in her mind, after all deserving of it after all the hardship she had experienced in her life. The more people upset her the more she wanted them to pay. From the lover who did her wrong to the men that brought disgrace to her family, she planned to get them back. But in the end is it all worth it? Does her path of destruction threaten her future... or will she do what she always does, destroy anyone who gets in her way?

Teyanna Simmons has it all: brains, beauty, money and a secret life. When neither her husband nor lover could satisfy her insatiable appetite she resorts to a lifestyle that she will do anything to keep under wraps. But to what extent is she willing to go to keep her secret? And is she ready to suffer the consequences of her actions when she crosses the wrong people?

David Walters had every man's dream: his own lucrative business, a beautiful wife and an equally beautiful girlfriend. Paradise right? Not even close! Can he get rid of his wife and make his girlfriend her replacement or is he asking for more than he bargained for?

Dawn Jasper is from Rembert, SC. After years of having writing as a hobby, she is sharing her passion with the world. She resides in Maryland with her three children and is currently working on the sequel to Beautiful Disasters and several other manuscripts.

You will see yourself in some of the stories of betrayal, infidelity, drama and revenge. And you will discover that it's possible to heal and live to love again. This book is filled with heartfelt stories of strength and encouragement, as well as, lessons learned, told by the women who lived them. This book has something for everyone. It was designed to help you have a better understanding of relationships from each genders perspective; men find it just as informative and entertaining as women. The chapters, What Every Man Should Know About Women and Romantic Things That Women Love were dedicated to men. So come take a look inside the minds of women!

Glenda A. Wallace

I NEED THERAPY by Glenda A. Wallace is a self-help book with a twist. The twist is the in-your-face manner in which the author dispenses knowledge, a knowledge based on her own experiences. I NEED THERAPY is a book packed with a lot of examples of how to right wrongs done to you and by you.

—Reviewed by Dawn R. Reeves of the RAWSISTAZ(tm) Reviewers

THE MYSTERIES, POWERS, AND CONFUSIONS OF LOVE VOLUME I

WHAT I YEARNED FOR

IT WAS YOUR HEART THAT I YEARNED FOR
IT WAS THE TASTE OF YOUR LIPS THAT I WOULD DIE FOR
IT WAS THAT FEELING OF YOUR SOUL MERRING WITH MINE...
THAT I NEVER FELT BEFORE
IT WAS THAT LOVE THAT BOTH OF OUR HEARTS
COULD NOT IGNORE
IT WAS THE WAY OUR SPIRITS CAME TOGETHER AND IGNITED
LIKE NEVER BEFORE
IT WAS NOW I FOUND MYSELF COMING BACK FOR MORE AND MORE
IT WAS HOW OUR INTELLECTUAL MINDS CONTINUED TO SOAR
AND GAVE THIS THING CALLED LOVE ONE BIG ROAR...

Perfectly PLANNED

KELLY R. PORTER

A survivor of 20 years of abuse and battles that would destroy most. From incest, to sexual molestation; to physical and verbal abuse, rape and abandonment. I am a woman who knows my past and understands that my experiences are purely lessons meant to bring me closer to self-knowledge and unconditional self-love. I also know that without GOD, I am nothing.

My life was **PERFECTLY PLANNED** by the Lord himself. ABUSE is like AIDS, it has no prejudice, demographics, nationality, gender, religion, nor age can spare you. If you are uneducated and unprotected, you can become a victim of abuse. The effects it has on your mind, body and soul will devour you. I was a victim, but, now I am a SURVIVOR and the purpose of my book is to inspire you to forgive yourself and your abuser(s). It was written to educate you on how to not allow your past to dominate your present and future. As well as accepting, owning and embracing your past. Understand that there is life after abuse. So ask yourself one question, has it ever happened to you? If you answered yes, then open this book and free your mind. If you answered no, then open this book and cultivate your mind.

You Couldn't Be Lost, Even If You Wanted To! The True Plan of Salvation

- ◊ Do you need a biblical confirmation that your soul was saved before you were even born and that it will remain to be saved in spite of anything you do in your impossible flesh?
- ◊ Would you like to learn how to separate laws from grace, so that you can be "free indeed" like Jesus intended for you to be?
- ◊ Did you know that you were set free from "obligations" in addition to being set free from sin?
- ◊ Would you like to know how God really feels about religion, worship and church-buildings?

"Well, the truth is here in word form, and you are about to find out all about it!" Linda Stokes is the author of this long anticipated book titled "You Couldn't Be Lost, Even If You Wanted To." The True Plan of Salvation. And by using the same Holy Bible, you will be provided with evidence that will reveal the lies and deceptions of the enemy about hell, church, religion, faith, belief and yes - even things! Retrospectively, you will find out just how to do those things under grace - without connecting any of it to salvation itself! This book has a "universal inclusive concept," which makes it beneficial to every person on the planet, as you will find out for certain that Christians do not own salvation!! Thus, no matter if you are Atheist, Muslim, Christian, gay or straight, you will come to the conclusion for yourself that: God really is love, and it is a guarantee that you will never worry about hell or your soul, ever again!

You simply cannot afford "not" to read this book because...
"These are not your typical answers!!!"
